Tools: Advanced Excel, PowerPoint, Python, SQL, Bloomberg, Screener.in, Company Filings & Annual Reports, Industry Databases

PROFESSIONAL EXPERIENCE

BlueStock.in **Aug 2025 – Present**
Financial Analyst, Investment Banking Division *Gurugram*

- **Market sizing:** estimated Total Addressable Market (TAM) and Serviceable Available Market (SAM) using top-down and bottom-up approaches; sized markets by segment and geography.
- **Competitive intelligence:** conducted market mapping, competitor analysis and company profiling; benchmarked peers on revenue growth, market share, margins, ROCE and product portfolio to assess market position.
- **Industry research:** performed sector deep-dives on demand drivers, policy, technology and raw-material trends using primary and secondary research (filings, DRHPs, concall transcripts, industry reports).
- **Strategic analysis:** built financial models and ran scenario and sensitivity analysis on growth, margins and capital structure to evaluate opportunities and quantify downside risks.
- **Executive communication:** prepared pitch books, information memorandums and presentations summarising findings and recommendations for senior bankers, clients and stakeholders.

A Digital Blogger **Mar 2025 – Jun 2025**
Finance Executive *Remote*

- Analysed revenue streams (advertising, affiliate, sponsored content) by contribution and margin; benchmarked against comparable digital media players to identify growth levers.
- Built KPI trackers, monthly MIS and variance analysis; presented cost-optimisation recommendations to management.

IIM Bangalore Associate Programme **Sep 2024 – Dec 2024**
Equity Research Associate

- Authored 12+ institutional-style research reports covering business model, moat, sector size and growth, competitive landscape, financial analysis and valuation.
- Benchmarked companies against listed peers on growth, margins, ROE/ROCE and market share to form investment theses and clear recommendations.

ENTREPRENEURIAL EXPERIENCE

Safe Horizon – Founder **Ongoing**

- Building a risk advisory venture; researched the target market and competitive landscape, and developed go-to-market positioning and funding strategy (DPIIT/Startup India, CGTMSE, MUDRA).

SME Consulting LLP – Co-founder **Ongoing**

- Co-founding a consulting practice for small and medium enterprises covering financial planning, business valuation and funding readiness.

RESEARCH & PROJECTS

- **Company Research Framework** – designed a structured framework (business model, moat, sector sizing, financials, management, valuation, risk, thesis) used for company and sector deep-dive reports.
- **Macroeconomic Tracking** – daily analysis of Indian and global macro (RBI policy, FPI flows, sovereign ratings, forex, corporate earnings, M&A/PE deal activity) and its business impact.
- **SharePicker** – stock screening app with valuation, leverage and return-ratio filters for peer benchmarking (500+ users) • **FinSight** – personal finance app (2,000+ downloads, 4.5 rating).

EDUCATION

National Institute of Technology (NIT), Kurukshetra **2022 – 2026**
B.Tech, Computer Science & Engineering *CGPA: 8.2/10*
