PROFESSIONAL SUMMARY

Financial Analyst in the Investment Banking Division at BlueStock.in with hands-on deal experience across origination and execution: company profiling, market mapping, industry deep-dives, peer benchmarking, financial modelling and valuation, and preparation of pitch books and investment memorandums. FRM Part I cleared and FMVA certified, with prior equity research experience through the IIM Bangalore Associate Programme. B.Tech (CSE) from NIT Kurukshetra, bringing advanced Excel, PowerPoint, Python and SQL to TAM/SAM sizing, KPI tracking and data-driven investment analysis.

PROFESSIONAL EXPERIENCE

BlueStock.in **Aug 2025 – Present**

Financial Analyst, Investment Banking Division *Gurugram*

- **Deal execution:** staffed on live capital-raising and M&A advisory mandates end-to-end, supporting senior bankers from pitch to transaction process, including data requests, investor Q&A and timeline tracking.
- **Deal origination:** conducted market mapping, competitor analysis and company profiling to build target and investor long-lists and screen opportunities by sector, scale and financial profile.
- **Deal assessment:** performed industry deep-dives and peer benchmarking; sized Total Addressable Market (TAM) and Serviceable Available Market (SAM) using top-down and bottom-up approaches.
- **Financial analysis & valuation:** built three-statement financial models, DCF, trading comparables and precedent transaction valuations; ran scenario and sensitivity analysis on growth, margins and capital structure.
- **Investment materials:** prepared pitch books, teasers, information memorandums and investment committee-style presentations in PowerPoint for internal teams, clients and external stakeholders.
- **Diligence:** reviewed financial statements and DRHPs, normalised earnings, analysed working capital, unit economics and related-party transactions to flag key investment risks.

A Digital Blogger **Mar 2025 – Jun 2025**

Finance Executive *Remote*

- Built Excel-based KPI trackers for revenue, expenses and receivables; prepared monthly MIS and variance analysis (actual vs. budget) for management review.
- Analysed revenue streams (advertising, affiliate and sponsored content) by contribution and margin, benchmarking against comparable digital media players to identify growth levers.
- Supported budgeting and cash-flow forecasting; reconciled vendor and client payments to improve receivable collection and liquidity visibility.
- Prepared management presentations in PowerPoint summarising financial performance, KPIs and cost-optimisation recommendations.

IIM Bangalore Associate Programme **Sep 2024 – Dec 2024**

Equity Research Associate

- Authored 12+ institutional-style equity research reports covering business model, moat, sector analysis, financial statement analysis and relative valuation (P/E, EV/EBITDA, P/B).
- Benchmarked companies against listed peers on growth, margins, ROE/ROCE and leverage to form investment theses and recommendations.
